Dear Mike:

This will confirm the terms on which I have agreed to loan to Aspen Group, Inc. (the “*Company*”) up to three million dollars (US\$3,000,000) on a revolving basis for up to three (3) years (the “*Loan*” and my “*Commitment*”, respectively), as evidenced by a promissory note of even date herewith to be executed and delivered to me by the Company in the form of Annex A hereto (the “*Note*”). As conditions precedent to the advancement of any funds to the Company by me in respect of the Loan or the Note:

1. The Company, through its chief executive officer thereunto duly authorized by all requisite corporate and other action, shall execute and deliver to me this letter agreement (this “*Agreement*”) and the Note.

Annex B
Form of Warrant

1.

(a)

(b)

2.

(a) This Warrant may be exercised by the Holder (in whole or in part, in its entirety or in such increments, at any time and from time to time, as in each case the Holder may in his sole discretion elect) throughout the Exercise Period. Each such exercise shall be accomplished by the Holder's (i) tender to the Company of an amount equal to the Exercise Price multiplied by the number of underlying shares of Common Stock then being purchased (the "**Purchase Price**"), by wire transfer of immediately available funds in accordance with wiring coordinates provided to the Holder by the Company, or by certified or bank cashier's check payable to the order of the Company, and (ii) surrender to the Company of this Warrant, together with an executed subscription agreement in substantially the form attached hereto as Exhibit A (the "**Subscription**"). As a condition of exercise, the Holder shall, where applicable, execute a customary investment letter and accredited investor questionnaire. The Holder's right to exercise this Warrant is subject to his compliance with any applicable laws and rules, including Section 5 of the Securities Act of 1933.

(b) Upon receipt of the Purchase Price in respect of any exercise by the Holder of this Warrant, the Company shall promptly (and in all events within two (2) trading days of such exercise date) deliver to the Holder a certificate or certificates representing the shares of Common Stock then purchased, registered in the name of the Holder (or its transferee, if any, as permitted under Section 3 below). With respect to each exercise of this Warrant, if any, the Holder (or its transferee, if any, as the case may be) shall for all purposes be deemed to have become the holder of record of the number of shares of Common Stock purchased hereunder on the date a properly executed Subscription and payment of the Purchase Price are received by the Company (each, an "**Exercise Date**"), irrespective of the date of delivery to the Holder of the certificate(s) evidencing such shares, except that if the date of such receipt is a date on which the stock transfer books of the Company are closed, the Holder (or its transferee, if any, as the case may be) shall be deemed to have become the holder of record of such shares at the close of business on the next succeeding date on which such stock transfer books are open. Fractional shares of Common Stock shall not be issued upon any exercise of this Warrant; provided that in lieu of any fractional shares that would have been issued but for the immediately preceding clause, the Holder shall be entitled to receive cash equal to the current market price of such fraction of a share of Common Stock on the trading day immediately preceding the respective Exercise Date. In the event this Warrant is ever exercised in part, the Company shall promptly (and in all events within two (2) trading days of the respective Exercise Date) issue a New Warrant (as defined below) to the Holder covering the aggregate number of shares of Common Stock as to which this Warrant remains exercisable. The Company acknowledges and agrees that this Warrant was issued on the Issuance Date.

3. **Recording, Transferability, Exchange, and Obligations to Issue Common Stock**

(a)

(b)

Assignment attached hereto as Exhibit B duly completed and signed, to the Company at its address specified herein. As a condition to any such transfer, the Company may request a legal opinion as contemplated by the legend. Upon any such registration of transfer, a New Warrant to purchase Common Stock, in substantially the form of this Warrant (each, a "**New Warrant**"), evidencing the portion of this Warrant so transferred shall be issued to such transferee, and a New Warrant evidencing the remaining portion of this Warrant, if any, not so transferred shall be issued to the Holder. The acceptance of the New Warrant by such transferee shall be deemed the acceptance by such transferee of all of the rights and obligations of the Company under this Warrant.

(c)

(d)

4.

(a)

the same aggregate Exercise Price, that, if this Warrant had been exercised immediately prior to such date, the Holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, distribution, subdivision, combination or reclassification. Such adjustment shall be made successively whenever, and each time, any event listed above shall occur.

(b) In case the Company shall fix a record date for the making of a distribution to all holders of Common Stock (including any such distribution made in connection with a consolidation or merger in which the Company is the surviving corporation) of cash, evidences of indebtedness or assets, or subscription rights or warrants, the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the Fair Market Value per share of Common Stock on such record date, less the amount of cash so to be distributed or the Fair Market Value (as determined in good faith by, and reflected in a formal resolution of, the board of directors of the Company) of the portion of the assets or evidences of indebtedness so to be distributed, or of such subscription rights or warrants, applicable to one share of Common Stock, and the denominator of which shall be the Fair Market Value per share of Common Stock. Such adjustment shall be made successively whenever, and each time, such a record date is fixed; and in the event that such distribution is not so made, the Exercise Price shall again be adjusted to be the Exercise Price which would then be in effect if such record date had not been fixed.

(c) Notwithstanding any provision hereof to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Exercise Price; provided, however, that any adjustments which by reason of this Section 4(c) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 4 shall be made to the nearest cent or the nearest one-hundredth of a share, as the case may be.

(d) In the event that at any time, as a result of an adjustment made pursuant to Section 4(a) above, the Holder of this Warrant thereafter exercised shall become entitled to receive any shares of capital stock of the Company other than shares of Common Stock, thereafter the number of such other shares so receivable upon exercise of this Warrant shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the shares of Common Stock contained in this Section 4, and the other provisions of this Warrant shall apply on like terms to any such other shares.

(e) Fundamental Transactions. If, at any time while this Warrant is outstanding, (i) the Company effects any merger or consolidation of the Company with or into another company, (ii) the Company effects any sale of all or substantially all of its assets in one or a series of related transactions, (iii) any tender offer or exchange offer (whether by the Company or another company or person) is completed pursuant to which holders of Common Stock are permitted to tender or exchange their shares for other securities, cash or property, or (iv) the Company effects any reclassification of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (each, a "***Fundamental Transaction***"), then the Holder shall have the right thereafter to receive, upon exercise of this Warrant, the same amount and kind of securities, cash or property as it would have been entitled to receive upon the occurrence of such

Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of the number of Common Stock then issuable upon exercise in full of this Warrant (the “**Alternate Consideration**”). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. At the Holder’s sole discretion and request, any successor to the Company or surviving entity in such Fundamental Transaction shall issue to the Holder a New Warrant substantially in the form of this Warrant and consistent with the foregoing provisions and evidencing the Holder’s right to purchase the Alternate Consideration for the aggregate Exercise Price upon exercise thereof. Any such successor or surviving entity shall be deemed to be required to comply with the provisions of this Section 4(e) and shall insure that this Warrant (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction.

(f) In case any event shall occur as to which the other provisions of this Section 4 are not strictly applicable but the failure to make any adjustment would not fairly protect the purchase rights represented by this Warrant in accordance with the essential intent and principles hereof, then, in each such case, the Company shall effect such adjustment, on a basis consistent with the essential intent and principles established in this Section 4, as may be necessary to preserve, without dilution, the purchase rights represented by this Warrant.

(g) Notice of Adjustments. Upon the occurrence of each adjustment pursuant to this Section 4, the Company, at its own sole expense, shall promptly compute such adjustment in accordance with the terms of this Warrant and prepare a certificate setting forth such adjustment, including a statement of the adjusted Exercise Price and adjusted number or type of Common Stock or other securities issuable upon exercise of this Warrant (as applicable), describing the transactions giving rise to such adjustments and showing in detail the facts upon which such adjustment is based. Upon written request, the Company shall promptly deliver a copy of each such certificate to the Holder and to the Company’s Transfer Agent.

(h) Anti-Dilution Protection. If the Company, at any time while this Warrant is outstanding, shall sell or grant any option to purchase, or sell or grant any right to repurchase, or issue any Common Stock or common stock equivalents entitling any entity or person to acquire, shares of Common Stock at an effective price per share less than the then Exercise Price (such lower price, the “**Base Share Price**” and such issuances, collectively, a “**Dilutive Issuance**”), then the Exercise Price shall be reduced (and only reduced) to equal the Base Share Price. Notwithstanding the foregoing, the Base Share Price as of the Issuance Date shall be deemed to be eighteen cents (\$0.18) per share. Such adjustment shall be made whenever such Common Stock or common stock equivalents are issued. Notwithstanding the foregoing, no adjustments shall be made, paid or issued under this Section 4(h) in respect of an Exempt Issuance (as defined below). Furthermore if the adjustment is caused by the issuance of a common stock equivalent and such security expires or terminates without being exercised, converted or exchanged, the Base Share Price shall be readjusted to the Exercise Price in effect immediately prior to issuance of such common stock equivalent. The Company shall notify the Holder, in

writing, no later than five (5) business days following the issuance of any Common Stock or common stock equivalents subject to this Section 4(h), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the “*Dilutive Issuance Notice*”). The Company covenants that all Common Stock so issuable and deliverable shall, upon issuance and the payment of the applicable Exercise Price in accordance with the terms hereof, be duly and validly authorized, issued, fully paid and non-assessable.

Any such notice shall be given at least ten (10) days prior to the earliest date therein specified.

10. **No Rights as a Shareholder.** This Warrant does not entitle the Holder to any voting rights or other rights as a shareholder of the Company, nor to any other rights whatsoever except the rights herein set forth; provided, however, that the Company shall not close any merger arising out of any merger agreement in which it is not the surviving entity, or sell all or substantially all of its assets, unless the Company shall have first provided the Holder with twenty (20) days' prior written notice.

16. **Entire Agreement.** This Warrant (including the Exhibits attached hereto) constitutes the entire understanding between the Company and the Holder with respect to the subject matter hereof, and supersedes all prior negotiations, discussions, agreements and understandings relating to such subject matter.

17. **Good Faith.** The Company shall not, by amendment of its Certificate of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but shall at all times in good faith assist in the carrying out of at, tatixcerib t a t i b t e l r c
